Principal's Address

To the Class of 1990:

For every 'Goodbye' there is a 'Hello'.

As you leave the small world of Fairhaven High School behind, you will enter a much bigger world where there are more people to know, more difficult jobs to do, more challenges to face, and more exciting experiences to enjoy and share.

And as you greet what lies ahead, I hope you take some comfort in knowing that I and the entire staff of F.H.S. sincerely wish you the brightest of futures and the best of life's 'Hellos'.

Best wishes,

John C. Newburn

IN MEMORY OF

Jenny Rebecca Ribeiro

January 9, 1972 — July 9, 1984

Blessed are the pure in heart for they shall see God
— Matthew 5:8

IF YOU SHOULD GO . . .

Love, Leave me like the light,
The gently passing day;
We would not know, but for the night,
When it has slipped away.

Go quietly; a dream,
When done, should leave no trace
That it has lived, except a gleam
Across the dreamer's face.

Countee Cullen

The 1990 ***Huttlestonian*** *is dedicated to the future of the Class of 1990. May the future bring much success and happiness as we enter into our new worlds. We shall not forget our experiences at Fairhaven High School.*

DESIDERATA

Go placidly amid the noise and haste,
and remember what peace there may be in silence.

As far as possible without surrender
be on good terms with all persons.

Speak your truth quietly and clearly; and listen to others,
even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit.
If you compare yourself with others, you may become vain and bitter;
for always there will be greater and lesser persons than yourself.

Enjoy your achievements as well as your plans.
Keep interested in your own career, however humble;
it is a real possession in the changing fortunes of time.

Exercise caution in your business affairs;
for the world is full of trickery.

But let this not blind you to what virtue there is;
many persons strive for high ideals;
and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection.
Neither be cynical about love; for in the face of all aridity and
disenchantment it is perennial as the grass.

Take kindly the counsel of the years,
gracefully surrendering the things of youth.

Nurture strength of spirit to shield you in sudden misfortune.
But do not distress yourself with imaginings.
Many fears are born of fatigue and loneliness.
Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars;
you have a right to be here. And whether or not it is clear to you,
no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive Him to be,
and whatever your labors and aspirations, in the noisy confusion of life
keep peace with your soul.

With all its sham, drudgery and broken dreams,
it is still a beautiful world.

Be careful. Strive to be happy.

Faculty

"Studies serve for delight, for ornament, and for ability . . . They perfect nature, and are perfected by experience; . . .

Reading maketh a full man; . . . Histories make men wise; poets witty; the mathematics subtle; natural philosophy deep; moral grave; logic and rhetoric able to contend."

Foreign Exchange

L to R S. Turner; T. McCormick; N. Helsted; M. Dremstrup; R. Smith; C. Leon

Robin Smith was an American foreign exchange student who spent the summer of 1989 in Norway. Sharon Turner hopes to be an exchange student to France and Christina Leon is hoping to go to either Mexico or South America.

As an American Field Service Summer Exchange Student, I spent six weeks in Greece. I visited for three weeks in Samos, a beautiful Greek island and have many fond memories of my experiences there. I hope that my Greek family and friends will visit America some day, and I also wish to return to Greece in the near future.

Tara McCormick

Nicolai Helsted

Hello to everybody . . .

I would just like to say thank you that I am able to be here this year. Thanks to all the nice people who have worked hard to get me a family here in the U.S.A. And, of course, a special thank you to my host family, Ann Marie and Matt Gamache, who have taken the risk, having me stay with them for an entire year.

My name is Nicolai Helsted. I am 16 years old and come from Copenhagen, Denmark. My father is an architect and my mother is a designer who also paints and works as an architect. My sister Sofie has just finished her gymnasium class and is now studying French in Paris.

In Denmark I have finished my ninth year in a private school and should have started one class in the gymnasium. In the gymnasium you have three classes; then you can go to the university. The gymnasium is a state school. Our law says that you must go to school for nine years. We start at 8 a.m. and finish at about 2 p.m. The Danish school system is the most liberal in the world. We have both Marxist schools and religious schools.

I have enjoyed my stay here in Fairhaven, Massachusetts, and hope to return some day with my family to show them where I spent a wonderful year.

Mette Dremstrup

My name is Mette Dremstrup, and I was the A.F.S. Exchange Student at F.H.S. in 1989-1990.

I would like to thank all the teachers and students at F.H.S. for being such good friends. I would also give thanks to all the people who made it possible for me to come here. A special thanks to my host mother, Cindy Thomas, father Buddy Thomas, brother Jonathan Ashley and my sister Carrie Ashley; and, of course, a thank you to my family in Denmark.

I was born in Denmark and have lived there with my family all my life, until I left for the U.S.A. in August, 1989. We have always lived in a little town called Skjed; it is 20 minutes from Aarhus, which is the second largest city in Denmark.

In Denmark I have an eighteen-year-old sister Lene. She is now in the second year of the gymnasium. She was also an exchange student in Maine. My mother Gerda works as a social worker and is the vice president of the district. My father works as a civil engineer.

I graduated in the summer of 1989. In school in Denmark I learned Danish, English, German, Swedish, Norwegian, Math, Chemistry, Physics, History, Biology, Geography, Religion, Typing, Photography, and Social Sciences. When I return home, I will attend the gymnasium and major in Math, Chemistry, and Physics.

I did a lot of traveling in Europe before coming to America. I visited Norway, Sweden, Germany, Austria, Hungary, Yugoslavia, Spain, Finland, and Italy. They are all beautiful countries, and they are all very special to me; but I know America will be the most special country I ever went to.

I have become a part of America, and America has become a part of me. Fairhaven, Massachusetts of the United States will always have a special part of my heart wherever I go. I'm sure we'll all meet again!

Football

This year's football season was an absolute turnaround from the '88 season. The Blue Devils finished with a 7-3 record and placed second in the S.C.C. standings. Fourteen seniors will graduate this year. Thanks to the coaching staff, the team not only learned football skills, but also learned to be better people. Most memorable moment: Fairhaven — 29 Case — 20.

Soccer

The F.H.S. soccer team ended their season with a South Coast Conference Championship and a bid for the South Sectional Semi-Finals in the State Tournament. Aggressiveness and hard play by the Blue Devils is what carried the team through the season. The most memorable and exciting game of the season was the victory over previously unbeaten Voc-Tech 1-0. The Devils concluded their season with an impressive 11-2-1 record overall with 7 consecutive shut-outs.

Cheerleaders

The Blue Devil Cheerleaders had their best year yet! We had fun cheering at all of the games, home and away, whether we won or lost. We've had a very successful year in all F.H.S. sports!

We would like to thank all of those who supported us and stood behind the teams throughout the year; and, of course, we'd like to thank Mrs. Michelle Burt for her enthusiastic coaching.

Field Hockey

The 1989 field hockey season ended with a 6-8-2 record. With help from our coach, Mr. Crane, we improved our past record and had many good times in the process. None of us will ever forget the 2-1 upset of Seekonk, all the laughs we had, and Mr. Crane's inspirational words, "Go . . . Go . . . Go . . ."

Volleyball

Throughout the season, the volleyball team won games against Voc-Tech, Bourne, Old Colony, Wareham, Seekonk, and Westport. The season closed with a record of 9 wins and 7 losses. The seniors were: Monique Plaud, Tina Konerth, Mette Dremstrup, Ana deMelo, Sarah Medeiros, and Kelly Dorschied. The team would like to thank all the fans who came to the games and, especially, Mr. Childs and Ms. Barrow for their help and patience.

Cross Country

This was the year we were waiting for . . .

Not only was it the senior's last year but the best Cross Country season ever. The girls were South Coast Conference Tri-Champs with a tremendous record of 9-1. The boys finally came into their own and compiled a season of 6-4. This was the year that everything came together. For the first time the CC girls beat Seekonk, a time that will not soon be forgotten. The boys demolished Case and Bourne for the first time in Cross Country history. Summer running and Coach Bender made it all happen.

How can we forget . . . Coach Bender's speeches . . . IScreams . . . "Go on and 'git' " . . . Long Road . . . truck rides . . . double sessions . . . Lace'm up.

Winter Track

This year's Winter Track season produced one of the best overall records for both boys and girls. The girls finished the season with an overall record of 5-2. In the S.C.C. Meet, the girls finished third behind Seekonk and Apponequet. The boys ended their season with a 4-2-1 record. The tie with Apponequet was an achievement in itself since the boys have never come close to defeating them. This season produced some new school records and great personal achievements. Good luck to the graduating seniors.

Boys' Basketball

The Fairhaven Blue Devil Basketball team, who compiled a respectable 12-8 record this season, returned to the State Tournament after a one-year hiatus. Under Head Coach Bob Baldwin, the Devils scrapped their way to a commendable 11-5 record in the talent-laden South Coast Conference. With the Devils graduating five seniors — Mike Barcellos, Chris Langlois, Tim Davignon, Jay Charbonneau, and Tom Dakin — Fairhaven will rely on a strong Junior class to strive for continued success and possible future State Tournament berths.

Girls' Basketball

The Fairhaven Girls' Basketball team completed their season this year with a disappointing record. Under Head Coach Chuck Allaire, the girls played hard and had many close games, but they finished the season with a 4-16 overall record. The three graduating seniors — Kristen Sylvia, Cheryl Crowley, and Nelly Andrade — wish the 1990-1991 Girls' Basketball team the best of luck and hope for a successful season.

Ice Hockey

The Fairhaven Ice Hockey team finished their season with a 5-13 record. Despite some tough losses, the Devils played hard, kept up their high spirits and enjoyed each and every game. Next year's team will be at a loss without this year's graduating seniors: Matt Hebert, Phil Hubert, Ken Burr, Aaron Ferland, Keith Kruger, Chris Jackson, Brian Walecka, John Platt, and Matt Henriques. Remember . . . away games . . . Sunday morning practices . . . Platt's goal.

As the Co-Editors of the 1990 **Huttlestonian,** we would like to thank everyone who sold ads, supplied pictures, and generally lent us a helping hand. This yearbook is dedicated to the future of the Class of 1990. We hope it is a successful future for everyone, including our teachers who are retiring this June and those who have guided us during our high school years.

We especially would like to thank Mrs. Gail Waltz, our advisor; Mr. Conrad Schmidt, our Taylor yearbook representative; Tom and Antoinette Pacheco, our photographers; and, of course; this year's yearbook staff. We hope that you enjoy the **Huttlestonian** as much as we enjoyed organizing these memories.

Junior Day

June 1, 1990

On Junior Day, our Class President, Jay Charbonneau, handed the symbolic black mantle of leadership to Chris Karvonen, president of the class of 1991. The senior soloist, Heather Edwards, sang a "Remember Medley." Many individual awards were presented for academic achievement, leadership, and sportsmanship.

The 1990 **Huttlestonian** *was presented by the co-editors Jennifer Perry and Kristen Sylvia to the parents of Jenny Ribeiro and it was officially dedicated to the future of the Class of 1990. Finally, the Freshman/Sophomore chorus sang "Halls of Ivy" and the Class of 1990 marched out.*

Senior Prom

June 1, 1990

The day had finally arrived. Our Senior Prom! After much preparation, we arrived at the Lakesider Restaurant. Dinner was served at 7:30 p.m. Dancing began at 9:00 p.m. and lasted until midnight. Our theme song was "Forever Young," and music was provided by Hit After Hit. Each Senior received a commemorative glass or mug as a prom favor.

Graduation

School Day Memories

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.

Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.

We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.

We think of kindergarten
And our first day,
Now we've reached the end
We are going away.

How do you say good-by
To friends who mean so much?
Will there be time
To sincerely keep in touch?

You'll always have the memories
Of your school years from day one,
Don't think of school as ending —
Think a new life has begun.

Color pages compliments of Class of 1990 Treasury

On June 3, 1990, a total of 139 graduating seniors received their diplomas at the Fairhaven High School stadium. Lyle Drew, class valedictorian, said "Fairhaven High School is more than a building and traditions; it's also people." He called upon his fellow classmates to persevere in whatever walks of life they choose and "seek out the marrow of life." Class salutatorian Jennifer Perry said graduation is a time marked by many "sacred objects and symbolic meanings," and it marks "the beginning of our separate futures." Class President Jay Charbonneau delivered a truly moving speech giving thanks to all and asking the graduates to return in five years for a reunion. He presented as the class gift a check of $500 for the Jenny Ribeiro Memorial Scholarship fund to Mr. and Mrs. Ribeiro in memory of their daughter who would have been graduating this year. School Superintendent Ronald B. Hoekstra, who will be leaving Fairhaven shortly, told the graduates to "go forward into your lives with courage and confidence." Principal John Newburn singled out 44 members of the class who qualified for nearly $250,000 worth of scholarship aid. School Committee Chairman Louis H. Kruger, Jr. presented the diplomas.
